

Eligibility Form

Subsidy for the greening of institutions, businesses and industries

Subsidy eligibility for the greening of institutions, businesses and industries must be assessed by an employee of the Environment Section before any planting work is carried out. This can be accomplished by filling out the eligibility application form below and sending it to the following email address: enviro-subventions@ville.vaudreuil-dorion.qc.ca

The team from the Environment Division will then contact you to provide assistance with the creation of your planting plan.
