## METHODS OF PAYMENT

Regardless of the method used, allow sufficient time (two or three days) to avoid interests and penalties charges, since the payment will be recorded on the day of its receipt by the City.

### ONLINE PAYMENT

Online payment via your financial institution's Web site is the most efficient and secure way to pay your municipal taxes and is strongly favoured by the City. Be sure to include your payment reference number on the right of the payment slip. This is an 18 digit numerical sequence. Select "Ville Vaudreuil-Dorion" from the list of suppliers. If you own more than one account, you must register a payment reference number for each of the accounts for which you are making a payment.

### IF YOU CAN NOT USE ONLINE PAYMENT, THE FOLLOWING OPTIONS ARE AVAILABLE.

#### In a financial institution, at the counter or at an automated teller machine (ATM)

Make sure that the number registered with your financial institution corresponds to the payment reference number on the right of the payment slip.

#### By mail

All checks must be made payable to Ville de Vaudreuil-Dorion. Make sure to write, on the front of the check, payment reference number on the right of the payment slip.

### At the City Hall, located at 2000 Émile-Bouchard

You may pay in cash, check or debit card. Credit cards are not accepted. Make sure to bring your tax bill. If you are paying by debit card, please ask your financial institution about your daily direct payment limit beforehand.

### Mortgagees

If you have an agreement with your mortgage institution for the payment of your tax bill, it will be indicated in the lower right-hand corner of the payment slip. If your mortgagee's name does not appear on your account, you must contact them to ensure they make your payment. Your mortgagee may ask you to provide a copy of your tax bill. No receipt will be issued for your mortgagee or for you. If the account includes arrears, it is the owner's responsibility to pay and ensure that the mortgagee makes all payments on schedule.
