## *Ville fleurie* contest: Three citizens rewarded for their beautiful landscaping

**Vaudreuil-Dorion, September 18, 2018** – The City of Vaudreuil-Dorion gave out the awards for the *Ville fleurie* contest during the municipal council meeting held at City Hall last night.

Monique Ulrich (138 Bastien Street) took home the prize in the residential front yard category. Dorota Nowak, residing at 146 Maurice-Richard Street, was the winner for the balcony and potted plants category. And, Florence Buathier (48 Adèle Street) won the runner-up prize. Each of the winners received a \$200 gift certificate for a garden centre.

To evaluate the 30 or so contest applicants, the panel of judges based itself on several criteria including the variety of perennials, trees and shrubs, the harmony of the different elements used, the condition of the plants and the sustainability of the landscaping project.

The City wishes to thank everyone who participated in helping beautify Vaudreuil-Dorion as well as the panel of judges for their involvement.
