FOR IMMEDIATE RELEASE

Blues Night with Brian Tyler

Vaudreuil-Dorion, July 15, 2020 – On Tuesday, July 21 at 7:30 p.m., Brian Tyler, widely renowned on the Quebec Blues scene along with his band “The Bluestorm”, will be charming the public’s ear with his spellbinding voice during a webcast performance on jesuismozaik.com as part of the summer Rythmes d’été concert program.

Since the Concert Series cannot take place at the Parc de la Maison-Valois this year, Brian will be presenting an adapted version of his performance via webcast instead.

An Envious Reputation

Since Brian Tyler’s appearance on *La Voix*, hundreds of thousands of spectators have come to agree that the artist offers one of the best blues shows in Quebec. Accompanied by his musicians, Brian creates a sensation everywhere he goes as he interprets a variety of classic blues songs with a never-ending supply of infectious energy and his own personal touch. His talent for wowing crowds has earned him five Lys Blues trophies.

Since the summer of 2019, the bluesman’s career has taken a new direction. With his show “Back on track”, the public is discovering a whole new side of the singer-songwriter as he finally introduces his own compositions.

The group will be online to meet the public on July 21 on jesuismozaik.com site starting at 7:30 p.m.
