FOR IMMEDIATE RELEASE

The City of Vaudreuil-Dorion introduces a short survey to gather suggestions for *Parc Le 405*

Vaudreuil-Dorion, September 16, 2021 – The summer programming at *Parc Le 405* concluded last weekend with a host of family activities and musical performances featuring DJ Cacti and Melt It Up. The City of Vaudreuil-Dorion is now interested in hearing from those who attended events at *Le 405* to find out how they enjoyed their experience, and to gather their suggestions. The City is inviting all visitors to the park, whether they are residents or not, to complete a short survey, before October 7, to help the Recreation and Culture Department design any future programming to be carried out at *Parc Le 405* in 2022. The survey can be found on the City's website under Recreation and Culture/Activities and Events/*Le 405*.

Throughout the summer, *Parc Le 405* served as a gathering place that offered activities for all tastes, including children's shows, musical performances, game nights, comedy nights, in addition to preserving its soothing ambience to promote relaxation thanks to its various installations.

The park and its facilities will remain accessible during the fall. The play equipment rental booth will be open on weekends, until September 26th, from 12:00 p.m. to 7:00 p.m.
