## The City of Vaudreuil-Dorion provides financial support to 10 young athletes

**Vaudreuil-Dorion, April 20, 2022** – Last night, City Council met with young athletes from Vaudreuil-Dorion who are currently training in a variety of disciplines to present them with a sum of money intended to help them pursue their athletic journey.

This financial aid is made possible through the *Politique de soutien à l'athlète*, which was established as a means to highlight the athletic performance of young athletes in Vaudreuil-Dorion. Its goal is also to encourage the participation of these athletes in major sporting events such as championships, selections and competitions at the provincial, national and international level, as well as specialized sports training courses recognized by their federation and required for their development.

Mayor Guy Pilon highlighted the hard work of these young athletes: "Each of you, in the practice of your sport, is demonstrating a level of discipline, perseverance and achievement that will serve you well throughout your life. You can be proud of your accomplishments. I would also like to take this opportunity to thank your parents, who are there to accompany you on your journey. Congratulations to all of you!"

Full details and eligibility requirements for the *Politique de soutien à l'athlète* are available on the City's website, in the Municipal Policies section.
