PRESS RELEASE

L'avenir est ICI

FOR IMMEDIATE RELEASE

The City of Vaudreuil-Dorion launches survey for users of Parc Le 405 to prepare for summer 2023

Vaudreuil-Dorion, August 24, 2022 – As the summer programming at *Parc Le 405* draws to a close, the City of Vaudreuil-Dorion is already thinking about next summer, and is inviting all users of the venue, residents and non-residents alike, to complete a short survey on their experience at *Parc Le 405* this summer.

Visitors to the park have until September 30th to submit their suggestions to the Recreation and Culture Department to help inspire them as they work on the programming content for 2023 at *Parc Le 405*. The survey is available online on the City's website under Recreation and Culture/Activities and Events/Le 405.

Once again this year, *Parc Le 405* was a huge success with citizens. Participation at the different evening activities such as improv nights, comedy and theme-inspired activities is proof that *Le 405* has become one of the most popular summer destinations in Vaudreuil-Dorion. We urge the public not to miss the park's final activities that will run until August 28th, including a performance by Light & Bubbly at *Mon premier 405* and the Just for Laughs show (Thursday night), the *Hommage au Cinéma* night (Friday night), Yin Yang yoga (Saturday) and the family picnic (Sunday). On August 26, during the last thematic Friday, the Jazzband will revisit the soundtracks of popular films and people will be invited to test their cinematic knowledge during animated quizzes.

The park and its facilities will remain accessible to the public during the fall. The game rental booth will be open on Saturdays and Sundays throughout September, from 12:00 p.m. to 6:00 p.m.

Programming for *Parc Le 405* is available online on the City of Vaudreuil-Dorion's website at ville.vaudreuil-dorion.qc.ca.
