Vaudreuil-Dorion launches its new Rental Guide for Public Rooms

Vaudreuil-Dorion, February 13, 2023 – In an effort to make the room rental process easier, the City of Vaudreuil-Dorion recently developed a new tool that provides an overview of the options available to citizens, organizations and businesses, and makes it possible to make reservations online. The [Rental Guide for Public Rooms](#) is an indispensable tool for anyone wishing to book a room for an event.

As of now, all the information pertaining to the features of the rooms located at Centre multisports André-Chagnon, Centre Jean-Marc-Ducharme, Opticentre St-Jean-Baptiste, Pavillon Normand-Desjardins and Pavillon de Bel-Air can be found in one single document. Among the details included is information concerning the dimension of the rooms, the equipment available, specifications on room set-ups and cleaning, pricing, parking, etc. The guide is well illustrated and shows the different configurations that are possible for different types of events such as conferences, meetings, training courses, workshops, assemblies, parties, etc.

"The City of Vaudreuil-Dorion has been renting public rooms for a long time. However, people had no visual idea of the different facilities and had to resort to calling the team responsible for more details. Thanks to this tool, it will become even easier for organizers to plan their activities and find answers to the most frequently asked questions," says Josianne Lafontaine, Section Head – Logistics and Special Projects for the Recreation & Culture Department.

New this year, residents and non-residents will have the ability to book online on the City's website. Please note that use of a computer is recommended since mobile devices might not provide optimal results. Remember that anyone interested in making a reservation request can also opt to fill out a form and send it by e-mail to locationsalles@ville.vaudreuil-dorion.qc.ca.
