Chills and Potions: A Haunted Evening with the Wizards in Vaudreuil-Dorion

Vaudreuil-Dorion, October 15, 2025 - This Halloween, the *Ville de Vaudreuil-Dorion* invites residents to the municipal hub (2000 Émile-Bouchard Street) for an enchanting evening filled with chills, treats, and magic. On Friday, October 31, from 3:30 p.m. to 9 p.m., visitors can explore a haunted house with a wizard-themed twist.

"The municipal hub offers many possibilities. It's a large, versatile space, perfect for hosting the haunted house. It allows residents to discover this unique venue in a completely different atmosphere," says Vincent Bastien, Director of the *Service des loisirs et de la culture*.

Families are encouraged to come to the municipal hub to collect candy and enjoy an immersive experience inside the haunted house. Mysterious characters will come to life in the themed settings, surprising both young and old along the way. Accessible from the municipal hub parking lot, the haunted house is designed for all ages, with performers adapting their performances to suit each group.

The *Caravane Mozaïk* will also be on-site with its photo booth, giving visitors a chance to capture a memorable keepsake of their Halloween costumes.

Parking spaces will be available at the municipal hub and at the *Centre multisports André-Chagnon*.

The complete Halloween schedule is available on the City's website at ville.vaudreuil-dorion.qc.ca.
