The *Ville de Vaudreuil-Dorion* Renews Its Agreement with Its Executive Employees

Vaudreuil-Dorion, June 16, 2026 – The Agreement on the Working Conditions of Executive Employees of the *Ville de Vaudreuil-Dorion* was adopted on June 15, 2026. This six-year agreement reflects a commitment to recognizing the essential contribution of management staff to the quality of municipal services and the fulfillment of the City’s mission.

Through this agreement, the *Ville de Vaudreuil-Dorion* reaffirms its commitment to providing fair, competitive working conditions that are tailored to the realities of management teams. It helps support the recruitment and retention of competent managerial staff, for the benefit of the entire community.

Managerial employees will receive a 4% salary increase for 2025, followed by a 3% increase each year from 2026 to 2030.

“This agreement reflects our commitment to ensuring the continuity and quality of the services provided to the public. Our executive staff, just like all of our teams, play an essential role in fulfilling our municipal mission. I would like to highlight their dedication and professionalism,” said Mayor Paul Dumoulin.
